

## 2018 Porter & Plot Chardonnay

Central Coast, CA

### Winemaker Notes

By focussing on small-lot wine, Porter & Plot highlights the unique, nuanced individuality of California's most exceptional vineyards and appellations. This chardonnay was fermented in stainless steel and, upon completion, was allowed to go through malolactic fermentation to 100% completion. Post malolactic fermentation the wine was aged in 30% new French oak. The goal was to create a generous but still varietally correct and well-balanced California Chardonnay.

### Winemaking

Stainless steel, Full malolactic fermentation, aged in 30% new French oak

#### Viticulture

Soil: Sand, Gravel, Loam  
Farming: Sustainable  
Elevation: 300ft-800ft

#### Technical Data

TA	4.7g/L
RS	3.7g/L
PH	3.55
Alcohol	13.8%

#### Tasting Notes

Cedar  
Lemon Rind  
Wet Stone

#### Food Pairings

Cheese  
shellfish  
Thai  
Veggies
